

Welcome to Near East University

Our university has a great success with the education and scientific research standards among higher education institutions not only in TRNC but also all around the world. As Near East University, for so many years, we train liberal, innovative, socially responsible, environmentally aware, advanced, self-confident, versatile and creative individuals who will be capable of thinking critically, proactive, eager for new challenges. Apart from the academic and scientific development of students, intellectual, cultural and artistic formation is our fundamental purpose. As a Dean of Students Office, we are always ready to enhance, facilitate and improve the life of our Valuable new comer students. We are also expecting to support through helping academically and socially. If you want to share your problems and suggestions' you can always contact us from: petitions.neusd@gmail.com and 0(392)2236464-5594 in the working ours. Welcome to the peaceful, safe and privilege higher school life of Near East University and Cyprus. We wish you a very happy university life. Hope to see you at Near East University Campus...
