

# WELCOME TO NEAR EAST UNIVERSITY

Our university has a great success with the education and scientific research standards among higher education institutions not in TRNC but also all around the world. As a Near East University, for so many years, we train liberal, innovative, socially responsible, environmentally aware, advanced, self-confident, versatile and creative individuals who will be capable of thinking critically and mindful of ethics. Apart from the academic and scientific development of students, intellectual, cultural and artistic formation will also be our fundamental purpose. As a Dean of Students Office, we are always ready to enhance, facilitate and improve the life of our valuable new comer students. We are also expecting to support through helping academically and socially. You can share your problems and suggestions. You can contact with us from, [petitions.neusd@gmail.com](mailto:petitions.neusd@gmail.com) Call the number 0 (392) 2236464- 581/594 so you can find us in the working hours. Welcome to the peaceful, safe and privilege higher school life of Near East University and Cyprus. We wish you a merry and happy university life.

Hope to see you at Near East University Campus...
